- Spotlight Organizations -

HOPE Clinic
Provides free medical care, as well as preventative and restorative dental care to low-income children and adults without medical insurance. They also provide many other basic services including hot meals and groceries to those in the surrounding communities. Medical care at Hope clinic is provided by hundreds of health professional volunteers. Learn more at www.thehopeclinic.org.

Street Medicine Detroit
Provides access to quality medical care for Detroit’s unreached homeless population. They aim to bridge the gaps between the homeless and medical communities by building relationships and offering companionship and respect. Learn more at www.streetmedicinedetroit.org.

Ozone House
A community-based agency that helps young people in Ann Arbor and the surrounding areas to lead safe, healthy, and productive lives through intensive intervention and prevention services. Established in 1969, Ozone House focuses on providing support to runaway, homeless, and high-risk youth and their families so that they can reach their full potential. Learn more at www.ozonehouse.org.

Sit On It, Detroit
An effort to create more seating at Detroit area bus stops. Currently, more than half of bus stops in the city are without seating and Sit On It aims to fill this void by creating benches out of reclaimed wood from abandoned houses and businesses within the city. Learn more at www.sitonitdetroit.com.
